To Whom It May Concern,

I am writing a letter of reference for the band, The Fabulous Boomers. We were fortunate to have this band play for our wedding reception and what a hit they were. All of our friends danced all night. We had them scheduled from 8:00 PM to midnight and our friends danced right up until the end. In fact, they all wished that they could have played longer. Our wedding was May 7, 2005 at the Alderbrook Resort in Union, WA. We had a guest list of approximately 165 people and a lot of these folks stayed for the entire reception. It was a lot of fun! The best part about The Fabulous Boomers is their long play list which literally appealed to all ages. It was perfect!

When I first approached them about playing, Michael Watkins was great with providing information in a professional and thorough manner. His follow-up was right on and he was great with providing ideas and recommendations. I literally turned over the reception to him and I got to enjoy the party. Just what a bride wants!

I strongly recommend the Fabulous Boomers. Feel free to contact me directly with any questions.

Sincerely,

A handwritten signature in cursive script that reads "H. Rice".
